NOVEMBER/DECEMBER 2017

JILL'S CORNER

Happy Holidays! As hectic as November and December always are, I still love this time of year! I especially love the club when it is decorated! We have a beautiful clubhouse but adding the sparkle of holiday lights always bring a smile to my face.

We will kick off the season of giving on Thursday, November 9 when we have a Member Appreciation International Wine Party. This event is complementary to all members. Chef will pair specialty dishes with wines chosen by Jon. It should be a fun night and a great way to start the holidays. Mark your calendar now for this event and RSVP online as the spots will fill up fast. You can't beat the price!

We are changing up the Calendar of Events for 2018 in hopes to have better communication on club activities. Our annual 2018 calendar will not be printed but instead will be emailed to you and housed on the website. However, our bi-monthly Newsletter "The Banner" will be printed and mailed, accompanied with a calendar insert for those two months. We will also email the newsletter. This was a suggestion that came out of one of the many focus groups we have had recently. We are also planning a lot of different events for next year. We are excited and hope you will be as well. We want everyone in the family involved in club activities so we're trying many new things to make that happen. We are also taking suggestions! If there is an activity or an idea for a club within a club that you would enjoy please call Dorianne Bellamy, Member Engagement Manager.

You should have recently received an email with a video attached asking for your participation in the employee holiday fund. Money raised is distributed to all staff, excluding myself and the department heads. This is a nice way of saying thank you to the employees that work behind the scenes that you never get to see but without their help those of us up front couldn't manage. The staff is always so appreciative and so am I for thinking about them!

We have the traditional things planned for the next two months; Thanksgiving Buffet, Turkey to Go, Tree Lighting Party, Gingerbread House Decorating, Santa Brunches, Members Christmas Party, Candlelight Dinner and so much more! We look forward to seeing all of you at one or more of these events. I also encourage you to look at your needs for bakery or catering orders and place them early to make sure you are accommodated.

I look forward to celebrating with you and your families during this season, and bringing in 2018 with a bang at the "It's Midnight Somewhere" celebration!

Happy Holidays!
