MARCH/APRIL 2018

JILL'S CORNER

Our Membership Department works closely with our very active Membership, Marketing and Engagement Committee to attract new members as well as keep our current members highly engaged!

Spring is the time of the year that people start to think about using the Club whether it is playing golf, tennis, enjoying the pool, eating outside at the Cabana or taking advantage of our fitness center in advance of bathing suit season. Our best advocates are our members! To make sure you have the latest information, I'm outlining some of our most popular membership offerings and encourage you to please share with your friends, business associates and family. All our memberships are Family Memberships with all Club Amenities including Golf, Tennis, Fitness, Swimming, Children's Programs & Camps and Social Events, based on your level of membership.

Here are a few of our offerings:

ONE YEAR TRIAL GOLF MEMBERSHIP PROGRAM

Experience our Full Golf Membership over the course of a year!
\$8,000 with Trial Membership Application

*After one year the \$8,000 fee can be applied to a Full Golf or Sports Membership purchase.

The Trial Membership is valid for one year only, but the remaining initiation fee can be made in two annual payments. It's a great way to test the waters...golf course...tennis...

LEGACY MEMBERSHIP

Our Club is vibrant thanks to the families that have supported and made the Club such a significant part of their lives. As a special thank you, we are affording present members the opportunity to help their children and grandchildren enjoy Ballantyne Country Club for years to come with their own membership. Members gift a legacy membership to one of their immediate family members, without an initiation fee. Membership has its privileges...

A new legacy member will have full membership benefits and privileges, according to the membership gifted, which will match the benefactor's category or a lower gifted category. Applicable dues and fees apply. There is an opportunity to upgrade to a higher membership class and options to accommodate any membership level preferred. Read below for an even better opportunity for your kids and still no initiation fee!

YOUNG EXECUTIVE GOLF MEMBERSHIP

Even more exciting, is the launch of our NEW Young Executive Golf Membership which entitles the member to use all amenities of the Club. This membership is available to members between the ages of 21 to 35 years old. We have a small introductory joining fee and initiation fee installment payments annually (amount based on age) until the age of 36 when the membership is converted to a Full Golf Member Category. Dues are discounted based on age; 21 to 28 year olds pay 50% of the monthly golf dues and 29 to 35 year olds pay 75% of the monthly golf dues. This membership allows you to grow with your career and family.

CORPORATE MEMBERSHIP

The Corporate Membership provides the incomparable value of allowing multiple participants on a single Corporate Membership, without ever losing the value of the original Initiation Fee. One primary user receives access upon enrollment, and then up to four additional designees can join at any time.

The Corporate Membership entitles the primary as a Full Golf Member allowing them and their family access to golf, tennis, fitness, swimming, dining and other recreational/social facilities of the Club. All other designees can join at any classification we offer including Full Golf, Sports, Tennis and Social.

If one of the designees leaves the company, another can take their place for a small transfer fee and never has to pay initiation fees again. All designees listed on the Corporate Membership are family memberships. Corporate Memberships are currently priced under a winter special through the end of April.

For more information on any of these memberships please contact Emily Burgholzer, Director of Sales at extension 401, or stop by the Membership Office across from the Pro Shop. And remember, if you sponsor a member, we pay referrals fees! There is more detail on the referral program on the next page.

You, our members, are what make Ballantyne Country Club special, so invite a friend to become part of our club community.

TENNIS

IN THE SWING OF THINGS

It's a very exciting time in the Tennis program here. Upon taking over the program, we have made sweeping changes and improvements to help enhance our Tennis department. From revamping the Weekday Ladies tennis system, to adding several NEW events to the Calendar, to the new "Frequent Tennis Player" rewards program that kicks off March 1st. These are just a sampling of the exciting new things we will be doing in tennis this year here. We have a new Pre-Teen/Teen Beginner Jr. Clinic starting at the end of March as well as adding an extra day to the Orange ball Hot Shots Clinic starting with our March 6th session. Look for more info soon on our Summer Jr. Tennis program as well. We are happy to announce the formation of a 3rd QC Mixed Doubles team this Spring, and to help you get some extra practice and instruction, I'll be running a Mixed Doubles Clinic on Fridays from 5:30-7:00 p.m. in March and starting in April a package deal with an entrée and signature drink at the Cabana for afterwards! We are also very excited to announce the starting of a new Tennis Staff member here. His name is Sean Smith and he comes from the Raleigh area and will be starting with us on March 6th, so come by and introduce yourself and say hello. Mark your Calendars for the Winston-Salem Open on August 25th, as we will be putting together a chartered bus group trip up to watch the Finals complete with a cocktail party beforehand here at the Cabana! Lots of exciting things happening in Tennis in the months to come, stay tuned for more details. Our door is always open if you have feedback or would just like to stop by and chat! We hope to see you on the courts soon! Get IN on the action, and OUT on the courts!

-Jason and Barry
